**IMPORTANT Membership Information**

**W.H Morden Home & School Association**  
 2016-17

W. H. Morden's Home & School Association is a membership-based, voting, active group of parents of students attending Morden.

H&SA operates solely for the purpose of building community, supporting enrichment and fostering involvement to the benefit of our students, their families and the school's staff. For more information on H&SA's programs and initiatives , visit our web site.

[www.whmordenhomeandschool.org](http://www.whmordenhomeandschool.org)

Membership is on annual basis and open and encouraged for all parents. You must be an active member in good standing to vote on all motions including elections and budget decisions.

We meet monthly with the school administration and teacher reps to plan upcoming initiatives, listen to teachers about their needs, and plan for the future. We are governed by by-laws and operate fluidly and openly.

**To join for 2016-17, please complete the form and submit by October 1, 2016.**
